ARRANGE YOUR MEETING TODAY

Dear All

ennio will again exhibit at IFFA in Frankfurt but in true ennio-style, we are mixing it up and you will find us somewhere a little different this year.

We are joining our valued partner VISKASE, as together we ensure the theme of **IFFA's Meet the Best** is maintained...we have just made it easier for you to find us in one place.

As Viskase say: "**Offering you more, together.**"

IFFA is touted as the world's leading trade show for for the meat industry for the reasons below. Upon reading these attributes, it became apparent that we have synergies aligned, placing all three companies in the top tier of our product categories globally.

MEET THE BEST OF THE BEST:

- No.1 in Meat Industry**
- State-of-the-art technology**
- Extensive product ranges**
- Continued innovation**
- Products and solutions for all sizes of operations**
